

RESOLUTION

WHEREAS, the undersigned, who constitute or who represent as a duly elected committee, a majority of the water users of Coal Creek river system between or from its head waters to the last diversion therefrom, located in Iron county or counties, Utah, have consulted with the State Engineer pursuant to the provisions of Section 100-5-1, Revised Statutes of Utah, 1933, as amended, and

WHEREAS, it is necessary to have a Water Commissioner or Commissioners appointed to distribute the water of such system for the season of 1939, as provided in the aforesaid statute.

NOW THEREFORE, it is recommended:

1. That J. T. Leigh of Cedar City Utah be appointed Water Commissioner or Commissioners, as provided in the aforesaid statute, to distribute the water of said river system for the period from Jan. 1, 1939, to Dec. 31, 1939, inclusive.

2. That said Commissioner or Commissioners shall receive monthly compensation of \$ 50.00 from Mar. 15 to Nov. 30 for services and in addition thereto payment for expenses, if any, as follows:

\$25.00 per month for Jan. Feb. 1st. half of March and Dec.

3. That the duties of said Commissioner or Commissioners shall be as follows:

To distribute the waters as provided in the District Court Decree adjudicating the waters of said Coal creek.

4. That the undersigned water users of said system will pay said Commissioner or Commissioners direct for services and expenses connected therewith for the distribution of the water of the said system in 1939, without recourse whatsoever, to the State Engineer.

5. That attached hereto is the sum of \$5.00 to be used in paying the premium on the bond of said Commissioner or Commissioners, required by law, before the State Engineer can appoint a Commissioner or Commissioners.
